Notes:

- ****Sell Ads! These ads will help pay for programs for the entire season!****
- Look over any choreography, music, notes. We can not express this enough. The sooner you are off book we can then start to really focus in on acting
- Props, we will be making a prop list here soon with any prop needs we may have for the show. If you have any of them and are willing to let us borrow them for the show please let us know.
- Please look at the videos, they will be posted tonight on the Facebook page
