### Cast Notes

### **HIGH PRIORITY NOTES:**

Make sure to read any emails we send you, these are super important and will have answers to any questions you may have, if something is still unclear after reading the email you can reach out to Drew and Honey for questions, **only after reading the emails.**

Notes:

- Look after any choreography videos (Posted in the Facebook page, if you do not have access please Drew about getting you access)
- Please be reviewing your music, dance and blocking, as Johanna has said before once a scene is blocked it needed to be off book next time we return to that scene
- Props, as we block the show we will be making a list of props we will be needing for each scene, we may be asking if anybody has any specific props they may have and can lend us for the show. You will be getting those back by the end of the show
- Fight call, if we are running a scene that involves fight choreo we will be doing a fight call prior to starting that rehearsal, this is to ensure that everyone is safe.
- Make sure to be focused during rehearsal and giving 100% to each rehearsal.
